

## Simple Black case for iPhone 17 Pro Max 6,9"

GSM194207  
5907504554181

The Simple Black series products are a line of classic black covers with enhanced protection. The thickened construction protects the smartphone from shocks and impacts. The high edges of the cover additionally safeguard the screen and cameras from cracking. The product is made of TPU material with varying hardness. The edges of the covers have shock-absorbing properties, which is further complemented by the reinforced back. The matte finish is combined with panels featuring a carbon fiber-like pattern.

### Specification
