

# Tempered glass 2,5D Premium for Honor 400 / 400 Lite

OEM0200691  
5906961995544

Premium 2.5D glass is a reliable screen protection for your phone, combining quality and convenience. Made from durable Asahi glass (9H), effectively protects against scratches and damage. The AB Glue layer facilitates application, eliminating air bubbles, while the 3D curvature ensures a perfect fit. The oleophobic coating reduces fingerprints, and the high transparency along with sensitive touch response guarantees user comfort.

## Specification
