A case that combines minimalist design and protection at the highest level. Made of durable, flexible TPU material that safely surrounds the entire device in such a way as to provide excellent cushioning. Additionally, supplemented with a strong polycarbonate panel that protects against scratches and hardens the structure. The product is perfectly matched, fully functional, does not restrict access to external ports and effectively protects the phone during falls. Ultra Hybrid is the perfect protective solution while maintaining minimal weight and thickness. Ultra Hybrid has been subjected to fitness tests and received the MIL STD 810G-516.6 certificate, which means that it fell 26 times from a height of 2 meters. All Spigen products are tested for abrasion resistance and precise fit to provide a high-quality case.
